THE NATIONAL

Commission Merchants, TELEGRAPH

COMPANY.

A new enterprise, to be known as the National Telegraph Company, has been organised with valuable franchises conferred by a recent act of Congress for the purpose of estabshing Trunk Lines of Telegraphs on all the principal railroads and mali routes in the United States. The stock is to be issued upon the same principle as that of the Merchant's

country through which the lines pass. The Capital is to be

spoly, and are now earning over SIX MILLIONS OF DOLLARS per year, or over one hundred per cent. on the actual cost of their lines, their present capital having been watered over ONE TROUSAND per cent. THE NATIONAL TELEGRAPH COMPANY have a recognition from the United States Government of the importance of their enterprise, with a grant of the most valuable franchises ever conferred upon a telegraph company. No competing line has ever had the right now granted by Congress to this company to construct and operate lines over every BAILROAD and MAIL ROUTE in the United States. The position of this company differs

from that of any company over before organized. The question of the RIGHT OF WAY IS FOREVER SETTLED. The stockholders of this company cannot be sold out or TRANSFERRED to any other company. The act of Congress under which this company has been organized, prohibits

any transfer of the franchises granted.

CALLS---HOW TO BE MADE.

One per cent, of the Stock will be required on bscribing, and subsequent calls, not to exceed five per cent, per month, will be made by the Board of Directors, from time to time, as may be necessary, to supply funds to construct and equip the lines; but no calls will be made affer the one per cent is paid, until the EN-
